Dear Madam

In response to your letter of 15 March 2012, yes, I would like to present oral evidence to the public local inquiry regarding the Croxley Rail Link application.

I would like to object on the following grounds:

- Vicarage Road - traffic and commuters and safety.
- Noise and visual disturbance for residents
- Distraction detrimental to the learning

environment at Laurance Haines Primary school where 3 of our children go to. Trains ~5m away from some of the classrooms.

Yours faithfully,

Diana Van Der Stok
